Reviews

This publication will never be effortless to get started on reading through but very entertaining to read through. It normally is not going to expense too much. I discovered this publication from my dad and i encouraged this book to find out.

ZDL Books. Paperback. Condition: New. 274 pages. Dimensions: 9.0in. x 6.0in. x 0.8in. Real life involves real people who make real mistakes. Sometimes saying 'I'm sorry' just isn't enough. The need for apologies impacts all human relationships. Just as you have a different love language, you also hear and express the words and gestures of apology in a different language. New York Times best-selling author Gary Chapman has teamed with counselor Jennifer Thomas on this groundbreaking study of the way we apologize, discovering that it's not just a matter of will—it's a matter of how. By helping people identify the languages of apology, this book clears the way toward healing and sustaining vital relationships. Through their research and interaction with hundreds of individuals, the authors detail proven techniques for giving and receiving effective apologies. , , , , , , , ; , , , , This item ships from multiple locations.
