Excerpt from Distillates and Extracts: The Chemical Products of Wood Distillation, And, Dyeing and Tanning Extracts From Wood And here again a natural departure was made. It was to those industries which, working on a large scale and handling considerable capital, were - and should have been - able to be the first to make an appeal to the assistance of the man of science that attention was first of all directed. It is now the turn of industries which, occupying a secondary rank, are, nevertheless, of great importance, as much by the riches which they create as the necessity for the products which they place on the market, and Wood Products, Distillates and Extracts age of this latter category.
