Fb C Ltd, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Elementary Physics The work will serve as a suitable text-book for any class beginning the study of physics. The author believes that in early lessons it is inadvisable to trouble the student either with theories, or with the generalisations that prove such a valuable aid to the advanced student little space has therefore been devoted to theoretical considerations. Experience as a teacher suggests that a careful examination of the facts of science is the first duty of a beginner.
