Createspace, United States, 2015. Paperback. Book Condition: New. 214 x 149 mm. Language: English . Brand New Book ***** Print on Demand *****.Introverts! Are You Ready To Tell The World To Shut Up? You know you would never do that because you are an introvert. That doesn't mean you are not tired of being labelled as a loner, anti-social or that you are seen to have some type of personality defect that needs to be cured. When did quiet become an abnormality? Sadly since the beginning of time it seems. The people on the outside edge of the social circles or quiet ones have always been taking the brunt of everyone's misunderstanding and ridicule. There is nothing wrong with being an introvert in a predominately extrovert world so don't believe the hype. There are many advantages introverts enjoy actually and they are revealed inside. What if there was a way for you to release your fears of social gatherings and even enjoy them? How about excelling at public speaking leaving those extroverts dumbfounded as to who you just became? Or mingling with the extroverts without them even caring that you are an introvert, all the while enjoying yourself? What if you could do all this without giving up who you are? It is important to introverts to be true to themselves and trying to be artificial or fake causes them great pain. Does that sound like you? Are You Really An Introvert? You might be an Introvert if. you only talk to the person you came with at the party you feel alone even in a crowd you only sit in aisle seats and many other signs are found inside. The author is an introvert that people close to him would describe as an extrovert. That is because he, not unlike you possibly, spent many years in a...
