Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Best memories are made with food. Sitting around the kitchen table with family is the best way to do this. Have you ever wished you had asked for Grandma s recipe for yummy meatloaf or chocolate pie? I often wondered why I did not get these. I decided I did not want my children and grandchildren wondering years later why they did not get the recipes they grew up with. This cookbook is dedicated to all mothers and grandmothers who want our recipes carried down for generations. Everyone should have some of these recipes stored somewhere to pass down. These are my recipes I have used for years. Some of these I received from my mother and some are new to my kitchen that I have concocted. The memories will form for each one differently depending on favorite foods as children. Take your time to browse through the tempting foods and delight in getting your taste buds exploding.
