It offers guidance for women asking such questions as: Why did it happen--and how can I make sure it doesn't happen again? Will my next pregnancy be considered high-risk? How long should I wait before getting pregnant again? What can I expect at prenatal exams? Will I ever be able to love another baby as much as I love the one I lost? With this sensible, sensitive guide, women can put their minds at ease--and learn to look forward to the future as they make peace with the past.
