Reviews

The most effective publication i at any time read. We have study and i am sure that i will likely to read yet again once again in the foreseeable future. You will not truly feel monotony at anytime of your time (that's what catalogs are for about in the event you request me).

Babypie Publishing, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. What if you had a simple set of tools that could give you everything you want in your personal relationships? And what if the same tools could help you achieve success in your professional relationships as well? We re Keith and Maura Leon. When we say these tools work, we mean it! When it comes to relationships, we ve been through it all: casual dating, romance, marriage, children, breakups, bosses, clients, extended family, in-laws, best friends, and even next-door neighbors. In this life-changing book you will learn: - A step-by-step process for creating the relationship of your dreams - The importance of visualization and self-exploration - How to make a plan that works - How letting go of control can get you more of what you want - How to stop sabotaging your relationships by asking the WRONG questions - A powerful communication tool for preventing conflict and improving all of your relationships - The truth about honesty - The gifts of gratitude Are you tired of so-called professionals giving you nothing but a bunch of theories, studies, and incomprehensible psycho-babble? Want an easy-to-read book written by regular people just like you? We are not psychologists, we are relationship specialists. The examples we use in this book are from our own experience in our own relationships. This seven step process has worked for us, it has worked for others, and it can work for you too! This is not just another book that tells you how someone else achieved results, gets you all charged up and then leaves you to fend for yourself in the real world. We walk you through the step-by-step process that we used, and we teach you how to...
