Reviews

This book is definitely not effortless to start on looking at but really exciting to see. It really is simplistic but surprises from the 50 % from the pdf. I am just effortlessly can get a delight of looking at a published book.

HarperCollins Publishers Inc, United States, 2000. Paperback. Condition: New. Revised, Subsequent. Language: English . Brand New Book. In 1991, Michael B. O Higgins, one of the nation s top money managers, turned the investment world upside down with an ingenious strategy, showing how all investors--from those with only \$5,000 to invest to millionaires--could beat the pros 95 of the time by putting 100 of their equity investment into the high-yield, low-risk dog stocks of the Dow Jones Industrial Average. His formula spawned a veritable industry, including websites, mutual funds, and \$20 billion worth of investments, elevating the theory to legendary status. Reflecting on the greatest bull market of our time, this must-have investment guide has been revised and updated for a new economy. With current company and stock profiles, as well as new charts, statistics, graphs, and figures, Beating the Dow is the smart investment that you--and your portfolio--can t afford to miss.
