The Owner's Manual for Values at Work: Clarifying and Focusing on What Is Most Important (Paperback)

By Pierce J Howard

Center for Applied Cognitive Studies, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.In the 1970s, an educational movement called Values Clarification (VC) invigorated school curricula across the United States and elsewhere. As a school consultant, the author of The Owner's Manual for Values at Work was immersed in the VC literature and engaged in the practice of training teachers to use the seven-step VC model. He also adapted VC activities for use with adults and found them to be a valuable tool for adult development as well as child development. Who doesn't benefit from periodic scrutiny of how one expresses one's values? In the 1990s, the author was no longer training teachers and schoolchildren but was working with adults. By 2010, he had written over a dozen books, including four major personality test professional manuals and an Owner's Manual series including The Owner's Manual for the Brain (4th ed.), The Owner's Manual for Personality at Work (2nd ed.), The Owner's Manual for Personality from 12 to 22, and The Owner's Manual for Happiness. Something was missing, however: He longed for a version of the VC...
