THE WRITERS USEFUL COMPENDIUM (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The Writers Useful Compendium This compendium of phrases and one-liner s is a collection of the highly successful 501 Writers series of books including 501 Writers Useful Phrases, 501 More Writers Useful Phrases and 501 Writers One-Liner s. Owning the Compendium in paperback or as an EBook is much better value than buying the three books individually and as part of this particular collection, a bonus of 50 mixed phrases and one-liner s have been added. Each section shown in the Useful Phrases index contains 100 entries, except for the bonus 50, and the One-Liner s complete subject section contains a total of 500 entries. This most useful , value for money volume of over 185 pages is a must have on the shelf for fiction and non-fiction writers, speakers and speech writers, students at all levels, wordsmiths and journalists and all those just interested in words ! Each indexed section, 1 to 21, includes a descriptive heading advising the reader about general content and in the paperback version the index is linked to page numbers. Hopefully, you the reader . and equally importantly, you the writer, will gain a little extra something from this new edition compendium. This is not a work of academia, does not follow any particular rules of English Language teaching and each section heading should be regarded as a broad but not definitive description of its content. As already evidenced by increasing annual sales of the individual editions combined here, the compendium can make a great and popular reference, not only at the initial manuscript stage of your writing . if you are a writer at any level, but at the tough edit stage where...
