Michael Walmer, United States, 2013. Paperback. Book Condition: New. Revised ed.. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****. Valentine would come out of her oratory intensely excited, with her nerves on edge and the blood flowing hotly through her veins. At such times Benedict's glances and words laid waste her heart like a stream of molten lava. If he had been hypocritical or adroit enough to present adultery to her in a mystic light, Valentine would have been ruined with a prayer on her lips. Deep in George Sand's own natal countryside of Berri in central France, Valentine de Raimbault, daughter of the chateau, and Benedict Lhery, cousin and adopted son of one of its tenant farmers, meet and fall headlong in love. Though they are very young, she 18 and he 22, both are already engaged to be married: he to his cousin, a beautiful and imperious girl who sees him as a stepping stone to comfort and security, and she to a dissolute diplomat who needs her wealth to pay his gigantic gambling debts. They must both first realize the extraordinary power of their feelings, and then enter a terrible battle with relatives, expectations and conventions, where their difference in rank proves a massive obstacle. Their union will indeed be hard won, if it can be. As they fight to understand and fulfil their love, the world bends, breaks and remakes itself around them many times. In the uncertainty, one of them unwillingly marries; the other rejects passionately the idea of a life united to any but their loved one. Lives are lost, arguments are precipitated into great conflicts, scores are settled and new ones created, intrigues are pursued, misunderstandings are promoted, long-held secrets are finally revealed. It...
