COLLECTED TALES AND FANTASIES - LORD BERNERS (PAPERBACK)

[DOWNLOAD](#)

Turtle Point Press, United States, 1999. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.In his delightful Collected Tales and Fantasies, the legendary eccentric English writer and composer Lord Berners (1883-1950) maintains a quiet grace, razor-sharp wit and unique sense of the absurd that is entirely sui generis. Berners offers an unforgettable cast of characters in these gem-like works of short Fiction collected here. In Far from the Madding War, set in Oxford during wartime, the heroine, Emmeline Pocock, looks like a nymph in one of the less licentious pictures of Fragonard, while in Count Omega we read of composer Emanuel Smith (based on William Walton), who becomes infatuated with a young giantess named Madame Gloria, who is guarded by a jealous millionaire s eunuch, and whose virtuosity on trombone seems to offer the perfect climax to the symphony Smith is composing. In The Camel, a baroque Victorian tale with utterly macabre undertones, a humped quadruped takes a Fancy for a vicar s wife, while in The Romance of the Nose, Cleopatra herself appears. And these are only some of the fanciful creations that populate these literary treasures!.
