The West African country of Sierra Leone has long been known as a diamond-rich area. With civil war ripping the heart out of the country, all aspects of life there are unstable. Worst of all, guerrilla rebels, in their lust for the resource-rich land, have sunk to depravity and terrorism to evict people from the country. It s into this maelstrom of political and emotional turmoil that Ben and Danielle must go. The leader of the rebels, a fanatical and charismatic woman known only as the Dragon, is not content with ravaging her own country. She plans a final coup that will perfect her power and topple Western governments unless Ben and Danielle can stop her in time.
