Reviews

This ebook might be worth a read, and superior to other. It is probably the most remarkable book i have got read. Its been designed in an remarkably straightforward way and it is merely soon after i finished reading this publication where really modified me, alter the way i really believe.

(Alex Zieme DDS)

SERVE COOL

Createspace, United States, 2015. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.Jen Summer is all set to qualify as a lawyer, her snazzy hot shot boyfriend, Jack, in tow. But then she blows it by mucking up a deal and her man ditches her. What does she do? She turns to her friend, Maz, barmaid in the Scrap Inn, chat show presenter manque. Maz and Jen carry on life behind the bar, and Jen discovers the regulars are as good and loyal a family as a girl can get. So when the girls hear, inadvertently, that the pub has been put into the hand of developers, they are horrified but take comfort in the free tickets they've been given to a newly launched daytime TV show. Only when they hit the studio do they realise they've been set up: Jen is destined to hit the screen as problem girl, alongside the magenta-hued marriage buster and the teenage child of the devil. Maz and Jen hit the roof and storm out - all captured on camera, all witnessed by the hunky work experience guy Jen has been making eyes at. And back at the Scrap Inn, it turns out that smarmy Jack is the guy behind the development deal. That's it: there's nothing like the wrath of a Geordie lass when crossed - nor the humour - nor her canny knack for sweet revenge.
