

Sketch! (Paperback)

By France Belleville-Van Stone

Random House USA Inc, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book. This is an inspirational guide for artists both established and aspiring . Urban sketching is a hot trend in the drawing world. It covers both hand and digital drawing . Urban sketching - the process of sketching on the go as a regular practice - is a hot trend in the drawing world. In this aspirational guide, French artist France Belleville-Van Stone offers motivation to move beyond the comfort zone, as well as instruction on turning rough sketches into finished work. By sharing her own creative process, which includes sketching by hand and digitally, Belleville-Van Stone emboldens readers to craft a method of their own and devote more time to art, even if it s just 10 minutes a day. Sketch! will inspire artists both established and aspiring to rethink their daily practice, sketch for the pure joy of it, and document their lives and the world around them.
