By Jennifer Bohnhoff

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Matt Bohnhoff (illustrator). Language: English . Brand New Book ***** Print on Demand *****. Valentine s Day is growing near and Hector (Hec) Anderson feels like a sci-fi visitor abandoned on an alien world. His sister Chloe abandons her black Goth style for pretty pinks after getting roses from an anonymous admirer. Dad s long work hours makes Mom trade in her no-nonsense pony tail and sweatpants for capris and curlers. Calvin s hand puppet Mr. Buttons falls in love. Only Stevie, who loves Valentine s Day because of the sweet tarts and lollypops he gets at preschool, seems sane. Life outside the Anderson household is no more stable. Hec s best friend shamelessly capitalizes on a bad situation as his parents seem headed for divorce. All of Hec s confusion comes to a crisis point when the girl of his dreams moves to town and he must challenge the most popular boy in school for her attention at the school dance.

A brand new eBook with a new standpoint. I have got read through and i also am confident that i will gonna read again once again down the road. Once you begin to read the book, it is extremely difficult to leave it before concluding.
