

Environmental Education and the School Curriculum

By David Lambert

Institute of Education Press, United Kingdom, 2001. Pamphlet. Book Condition: New. 297 x 210 mm. Language: English . Brand New Book. This Viewpoint summarises the origins and goals of Environmental Education and the spaces it occupies in the curriculum of (mainly) English schools. EE is distinguished from environmentalism and links between EE and other adjectival educations are discussed, including moral education. As we shall see, EE is a relatively young, dynamic and very complex field, addressing matters that themselves often defy human understanding. It perhaps comes no surprise therefore that its curriculum status is ambiguous.

Reviews

A must buy book if you need to adding benefit. I am quite late in start reading this one, but better then never. Its been designed in an exceptionally easy way in fact it is only after i finished reading this publication where in fact modified me, alter the way in my opinion.

-- Prof. London Gerlach

Without doubt, this is the very best operate by any writer. This is for all those who statte that there was not a well worth reading through. I discovered this pdf from my dad and i suggested this book to find out.
