Wipf Stock Publishers, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This book reflects a multi disciplinary, integrative approach to the theology and practice of relational intimacy. It combines biblical data on sexuality and relationships with marriage and bonding research. The reader is then guided in applying the research to his or her relationships. In essence, this is a handbook for understanding and deepening the stages involved in bonding or attaching closely to another human being. Marriage, the most intimate of all human relationships, is described in Scripture as a one-flesh mystery (Eph 5:31-32). This mystery of human bonding is as beautiful as it is complex, particularly in a post-Eden world. Many of us are woefully aware of our relational deficits, yet lack vibrant marriages around us to emulate. Those of us who have not experienced relationships of health, safety, and security particularly find we need roadmaps along the way. Our desire is that in the pages of this book readers will find personal encouragement and direction that is both biblically precise and practical for their relational journeys. Our intimacy model is built upon God's bold promises to heal and redeem. His pathways bring life; he is the one true lover of our souls. Our intimacy with him is foundational to all other relationships. We live in an age where virtual reality and perverse sexual fantasy have often replaced intimacy in our most significant relationships, including marriage. In *Forever and Always: The Art of Intimacy*, Steven and Celestia Tracy provide prophetic, pastoral, and practical insights on how to nurture and protect relational intimacy. I highly recommend this handbook as a guide for preparing for as well as restoring and enhancing the masterpiece of one's marriage. --Paul Louis Metzger Professor of...
