The Wreck of the Whaleship Essex: The History of the Shipwreck That Inspired Moby Dick (Paperback)

By Howard Brinkley

Golgotha Press, Inc., 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. In 1820, a sperm whale attacked and sunk the Whaleship Essex. 2000 miles off the coast of South America, the crew knew it would be a true feat to survive and make it to shore--any shore. Its story became legendary; Ralph Waldo Emerson wrote about it; Edgar Allen Poe incorporated details of it in his only novel; and, most notoriously of them all, it served as the inspiration for Herman Melville's Moby Dick. This account retraces the history of one of the most famous shipwrecks of all time.
