Peachtree Publishers, United States, 2018. Paperback. Condition: New. Language: English . Brand New Book. This beginner s guide explores the major attributes of the grassland biome and showcases its striking beauty and remarkable diversity using examples from around the globe. In this addition to the About Habitats series, award-winning author Cathryn Sill uses simple, easy-to-understand language to teach children what grasslands are and what kinds of animals and plants live there. John Sill s detailed, full-color illustrations reflect the diversity of grasslands and the wide variety of the plants and animals that live in grassland habitats. A glossary and afterword provide further fascinating details about grasslands to inspire readers to learn more.
