FRANCE: THE RECONSTRUCTION 1919 (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from France: The Reconstruction 1919 During the past year is a matter which America regards with great interest. The return of the manhood of the French Nation to peaceful occupations after more than four years of war, the rebuilding of the devastated areas and the general readjustment to peace conditions have not been untended by difficulty. However, the characteristic vitality of the people is well illustrated in the solution which is being found for each of these problems. The international friendship of France and America, strengthened by the association in the late war, has linked even more closely than before the interest and welfare of the two countries. The extent, therefore, to which France has recovered from the world conflict is of unusual importance to America. The following study has been prepared.
