Reviews

This book is definitely not effortless to start on reading through but extremely fun to learn. Better then never, though i am quite late in start reading this one. It is extremely difficult to leave it before concluding, once you begin to read the book.

Brand New Book ***** Print on Demand *****.LESBIAN ROMANCE by best selling author R.P. James This is about the hottest driving lesson I've ever had. I feel like my life has been passing me by up to this point. I mean, I'm only in my late twenties, but I'm married, and a manager at a company that I really don't care much about. It feels like things are going to be stuck this way forever. I'm on a business trip in Chicago, relaxing in my hotel, and reminiscing about a road trip I took after high school with some girlfriends of mine, back when I was happy and carefree. Specifically, I'm thinking about Christy. God, how I miss the touch of her skin, the smell of her hair, and the freedom I felt on that first wonderful night. But that's just a memory, long since passed. I'm an adult now, with responsibilities, and I carry that mantle proudly as I go down the next morning to see about renting a car for the duration of the trip. The only problem is the fact that all of them are stick-shifts, and I don't know how to drive a stick. The man on the floor gets his manager to show me how to control a standard vehicle properly- and my jaw nearly hits the damn show floor when I find out that Christy herself is the manager of the place. And from there, the two of us get the windows of one of the rental vehicles very, very steamed up.
