It's like a missing connection we've finally found, yet we've never met. Until now. Tristan Broadwell, sexy, smart and mysterious, fits the definition of eye candy quite well. Then, there's Logan Turner, a country boy at heart, who's feisty and genuine, and has a very nice six-pack under that t-shirt. Who would you choose? Welcome to my conundrum! Hi! I'm Eve Pattoni. After chopping onions for well over a decade at Pop's Deli, I decided it was time for a change. One night I said a simple prayer asking for a little spice to be added to my life, but I never expected the whole spice rack! A new job, new friends, and a couple hot men in my life have definitely made my world more interesting. With the help of my totally awesome BFF, Kat, and my Supermom sister, Melanie, maybe I can figure out how to make my heart follow one path, instead of two.
