Xulon Press, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Raising A Godly Generation is written for parents, especially those that are born again. It is written with a burden and burning passion to rescue our children from the hand of the enemy. It provides guidance for Christian parents enabling them to recognise the mandate and awesome responsibility given to them by God. It contains a clarion call to parents: we are not just to raise our children to be good citizens but to raise them in such a way that when we are gone, the work of our Father and Lord Jesus Christ will continue powerfully and unabated on earth. This is an invitation to both parents and prospective parents to go on a journey of rediscovery. A journey of rediscovering how to raise our generations to be godly indeed. Author Bio: Dr. Elfreda Aikins is an ordained minister of the gospel and a seasoned teacher of the Word of God with a strong passion for families. Her annual Couples Retreat Program has turned many families and marriages around for the better in the last 11 years. She has over the years produced several materials that are used for pre-marital counselling in many churches. She is also a lecturer in Orthodontics at the University of Port Harcourt, Rivers State, Nigeria and a consultant orthodontist at the University of Port Harcourt Teaching Hospital. She is happily married to Apostle P. F. Aikins, the Founding Pastor of Kingdom Covenant Ministry International, a mentor to many and mother of three boys and a girl: Prince, David, Jonathan and Sharon (her four blessings).
