If you're a fan of beer, good food, and visiting areas of San Diego that the average tourist doesn't get to, this book is for you. Inside you'll find 20 of my favorite places to hang out in San Diego. I spend a lot of time riding my bicycle in San Diego and frequent the places mentioned in this book. I'm also a big fan of hiking and photography and have listed some of the places I love escaping into nature and viewing wildlife. People who like birding, or the hobby of bird-watching, will find some of the places in this book of interest as well.
