Have you ever stopped to consider what special, unique qualities you have to offer the world what it is that comes naturally to you and through you? The final step in the Human Design system, 192 variations of Life Themes reveal to us the intended storyline of our lives, and we each have one of these Themes guiding our journey from our first to last breath. Just like the storyline of a book, or the theme music to a movie, there is a unique, consistent and recognizable undercurrent to your whole lifetime. This knowledge expands your appreciation beyond your...
