Reviews

This is actually the finest ebook i have got study till now. I actually have go through and that i am sure that i am going to likely to read once again once again later on. Its been developed in an extremely straightforward way and is particularly simply soon after i finished reading through this ebook through which actually modified me, change the way i really believe.

THE LOST ART OF HOUSE CLEANING: HOUSE CLEANING (PAPERBACK)

Createspace Independent Publishing Platform, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. I have sold thousands of copies of this book around the world, on Amazon, since first published in February 2011. I have changed publishers which requires a new listing without any history. If you can locate my old listing on Amazon you can read the reviews, which has a 4.5 star rating. I have owned a residential cleaning company since 2004 and this book actually started life as my employees handbook. Since this book was first published not much has changed. Dirt is still dirty and whether or not you want to clean your home, it still has to be cleaned. Most people hate to clean simply because they don't know how to do it, they were never taught. Were you actually taught how to clean? Probably not, but that's not your fault. Do you want to learn how to do it, like a professional, using minimal products and saving a bucket of money on cleaning supplies? If you do, then buy my book. First, I will send you to the store with a short shopping list; I will explain why I use each product and then how to use each product or tool, which by the way isn't much. I will then explain the logic behind my method of cleaning, called The PATH and then I will literally walk you through cleaning the different rooms in your house. The beauty of The PATH is that you can start and stop a cleaning job in any room and not lose your place. Just pick up where you left off and continue until the room is clean. So go answer the phone or change the baby. I only use...
