Reviews

This is actually the finest ebook i have got study till now. I actually have go through and that i am sure that i am going to likely to read once again once again later on. Its been developed in an extremely straightforward way and is particularly simply soon after i finished reading through this ebook through which actually modified me, change the way i really believe.

(Mrs. Maybelle O'Conner)

THE WILLIAM PENN HIGHWAY (PAPERBACK)

Arcadia Publishing (SC), United States, 2016. Paperback. Condition: New. Language: English . Brand New Book. The William Penn Highway was a major route through the Appalachian Mountains between Philadelphia and Pittsburgh throughout the 20th century. Established in 1916, a decade prior to the federal highway system, the road succeeded the former Northern Turnpike, with much of it following the course of the Pennsylvania Railroad through the Juniata River Valley. The highway also followed the former path of the Allegheny Portage Railroad in climbing the long grade of the Allegheny Ridge. In 1926, US Route 22 was established to follow the highway's course, extending it eastward to Newark, New Jersey, and westward to Cincinnati, Ohio, where it remains well traveled today. This book shows many of the highway's scenic and historic sites.
