

Blood Count (Paperback)

By Reggie Nadelson

ATLANTIC BOOKS, United Kingdom, 2012. Paperback. Condition: New. Main. Language: English . Brand New Book. In New York's Harlem, every street is steeped in history, and the music of jazz legends plays in the memories of its residents. Artie Cohen could feel at home here - if he wasn't on the trail of a killer intent on erasing the past. An elderly Russian woman is found dead in her apartment, and Cohen finds himself in the centre of a violent debate between city developers and an older generation of Harlem tenants. Not to mention the tensions between himself, his old girlfriend, and her new, younger lover. Meanwhile someone in these once-violent streets is intent on hauling Harlem into the twenty-first century, no matter what it takes.

Reviews

An exceptional ebook along with the typeface employed was intriguing to see. It really is simplistic but surprises within the fifty percent of the ebook. It is extremely difficult to leave it before concluding, once you begin to read the book.
