If you're looking for the original book, search this link: [//amzn.to/2Ahg0rk](https://amzn.to/2Ahg0rk)) Space has always been the subject of most of our imaginations. Let your imagination run wild with Endurance. Scott Kelly's memoirs will guide you through an unforgettable journey through space. Put yourself in the shoes of an astronaut and get as close as you can to experiencing life in space. (Note: This summary is wholly written and published by It is not affiliated with the original author in any way) I've learned that an achievement that seems to have been accomplished by one person probably has hundreds, maybe even thousands, of people's minds and work behind it, and I've learned that it's a privilege to be the embodiment of that work. - Scott Kelly The American record holder with 340 consecutive days in space, Scott Kelly tells us what he experienced during a year aboard the International Space Station. His book addresses the devastating effects of long-term space travel to a man's health, the struggles with the effects of long-term isolation and the helpless feeling of being light years away from everyone that you love. Endurance serves as a testament to the power of a man's will and the immense force that space is. Scott Kelly's Endurance will make you feel like an astronaut, at least for a few days during which you will not be able to put this book down. P.S. Endurance invites you to tap into the mind of one of the most famous astronauts...
