New Covenant Media, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. This book addresses the biblical hermeneutic that gives the New Testament its proper hearing and allows the student of Scripture to be consistent with biblical revelation. Whatever the post-advent period looks like, it will be frosting on the cake, rather than returning the cake to the oven and rebaking it. New Covenant Theology, above all other theological systems available to modern scholarship, comes closest to giving Christ his glorious preeminence and his Holy Spirit-inspired New Testament authors their decisive place in biblical interpretation.
