How Far Can You See? (Classic Reprint) (Paperback)

By Florence Wells

Forgotten Books, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from How Far Can You See? D, Martha Downey; W. Margaret Wilson; Z. Elizabeth Zachariah (indian student secretary); M, Miss Madge (british) The average literacy in China is two per cent., SO much more attention has been given to boys education that actually only one woman in a thousand can read! This new alphabet will be taught in public schools, mission schools, churches, and even in hospitals; but even then thousands of women will go untaught unless the Young Women s Christian Association can provide extension teaching for working women, business women, and married women. Now that a grown person can learn to read in a short time, we may expect to see marvelous development in China. How wonderful it would be to build some potent weeks of one s life into the structure of a great neighbor nation! Our hearts will always glow when we recall our student days. Yet if we had gone to college in the same proportion as the women of India, there would have been less than 350 of us to help our country...
