I ve always thought that when you murder someone your sentence to life in prison, or given the death penalty. I discovered that depending on the nature and cruelty of the crime you may spend little to no time in prison. Which brings me to my next question. What state of mind will that person have?How will they cope knowing they killed someone?These questions raced throughout my mind on the night Michael Northern laid unresponsive in my arms after taking his last breath. Patricia Logan is a successful business woman. She works in a hospital where she shares ownership with her father Dr. Logan. She wanted for nothing , until a new desire stood at her desk. Hi.
