PROBLEMS AND EXERCISES IN ACCOUNTING (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Problems and Exercises in Accounting This book has been prepared to accompany the authors Principles of Accounting. The arrangement of the material in chapters follows that of the text. The problems and exercises given have been constructed to illustrate specific principles for classroom purposes, and hence no attempt has been made to represent exactly situations arising in accounting, practice. Nevertheless many of the problems and exercises have been adapted from concrete situations, particularly in the chapters on financial statements. A convenient folio of blank forms has been arranged which may be used by the student in working the problems and exercises in this book. These forms are designated by the letters A, B, C, etc. Unless a reference to a special form is made in a particular problem it is understood that Form A is to be used. These folios may be secured from the publisher. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
