Brand New Book ***** Print on Demand *****. ***Content warning: For adults only!*** What does the future hold for Danny and Garret? Will saying goodbyes and forgetting what happened between them the only right thing to do? Book Excerpt: Garret stroked Danny's back with his fingertips and kissed his hair. This was the last time he and Danny could be together this way. He knew it, and so did Danny. He looked at the window. Darkness still pressed at the glass, but soon the gray light of dawn would begin to creep in, then morning would follow. And it would all be over. He could never touch Danny again. Never tell him how desperately in love with him he was. Never just gaze at him without having to veil the love that pressed outward from his heart.
