

Fifty Favourite Birds Colouring Book: Coloring Book (Paperback)

Filesize: 3.1 MB

Reviews

The ebook is straightforward in study better to fully grasp. It is actually loaded with knowledge and wisdom I am just delighted to tell you that here is the best pdf i have read through during my very own lifestyle and may be he greatest ebook for at any time.
(Dr. Karelle Glover)

FIFTY FAVOURITE BIRDS COLOURING BOOK: COLORING BOOK (PAPERBACK)

Dover Publications Inc., United States, 1982. Paperback. Condition: New. Language: English . Brand New Book. Everyone can recognize the bright cardinal by its brilliant scarlet plumage, or the blue jay by its equally striking azure, black, and white coloration. But how many can quickly identify the bobwhite, the myrtle warbler, or the red-eyed vireo? Few of us, yet they are far from rare. Like most of the dozens of birds in this book, they may be easily and frequently spotted in or near cities and towns in most parts of the United States and Canada. Become familiar with all of these common yet beautiful species through these 46 large, lifelike drawings. Accurately rendered by artist Lisa Bonforte, these birds will quickly impress themselves on your memory as you enjoy coloring their variegated plumage. Captions provide common and scientific names as well as seasons and ranges in which the birds occur. All 50 species are also illustrated in full color on the covers. This book belongs to the Dover Pictorial Archive series, which means that graphic artists and designers will value these drawings as a convenient source of royalty-free art.
