This is the story of how Bill and Joan Johnson who were happily retired in Florida came to raise their grandsons David and Michael and about what insight God had given them to raise their grandsons. Many grandparents today find themselves raising their grandchildren like Bill and Joan did. This book will have you laughing and crying and serve as a resource into the challenges of raising one s grandchildren. This is the second book that Bill and Joan Johnson have written about the life lessons that God has taught them in living one s faith out.
