Healthnet Press, United States, 2016. Paperback. Book Condition: New. New, Updated. 254 x 178 mm. Language: English . Brand New Book ***** Print on Demand *****.An updated and comprehensive guide to medical school preparation and admissions, including the latest information on the new MCAT and future admission trends. Competition for a limited number of places in the nation s medical schools is increasing, so students must have a competitive edge. Dr. Goliszek s guide is unsurpassed for the timely and expert information it offers about all aspects of premedical planning and successful admissions strategies. Some of the areas covered are: Undergraduate curricula that increase the chances for successful admission; academic and non-academic activities that make you stand out as a potential candidate; scholastic and personal qualities that all medical schools are specifically looking for; the kinds of medical schools you re most likely to be admitted to based on your qualifications; the new Medical College Admission Test (MCAT), with study tips and new key science terms; over 300 actual interview questions, along with tips on what to say and do on the interview; chapter on minority admissions, including lists of summer minority enrichment programs; chapter on high school preparation and pre-college planning for students, teachers, and advisors; chapter on alternate health careers, along with employment trends for the next decade and beyond; chapter on study, learning, memorizing, and test-taking skills for students at all levels; lists of medical schools with the best records of accepting women, minorities, and non-residents; medical school rankings based on undergraduate GPA, MCAT scores, and state of residence; up-to-date information and data on all 144 U.S. medical schools, as well as medical schools opening in 2016-2017. With so many well-qualified students competing for places in the nation s medical schools, this updated Medical School Preparation Admissions...
