Reviews

This publication might be worthy of a read through, and superior to other. It normally is not going to charge excessive. Its been written in an remarkably simple way and is particularly just after i finished reading through this book through which in fact transformed me, alter the way i really believe.

(Juston Mraz)

HarperCollins Publishers (Australia) Pty Ltd, Australia, 2016. Paperback. Condition: New. Language: English . Brand New Book. The second scorching novel in the USA Today bestselling Cartel trilogy from the smash-hit author Lili St Germain. They say love conquers all. It's a lie. Five days a week, I dressed in smart business clothes. I painted my face, and went to work as an accountant. But nothing about my life was normal. For eight years I had been the property of the Gypsy Brothers Motorcycle Club. I laundered their money so well they'd never let me leave. My only glimmer of light was the man I loved. The man who had saved me. Dornan. His love had been the only thing that kept the demons at bay. But he'd become so immersed in the cartel's brutal business that I hardly knew him anymore. Dornan had been my salvation, but he was also my undoing. Would he pull me down into the darkness until he destroyed me? Could I save him? Did I even want to? The queen of dark romance has done it again. Brilliant, dark, and oh, so steamy Recommended Romance.
