A STUDY IN MONETARY MACROECONOMICS (HARDBACK)

Oxford University Press, United Kingdom, 2017. Hardback. Condition: New. Language: English . Brand New Book. The financial crisis of 2007 and the following recession present a major challenge to macroeconomic theory. The same holds true for exceptionally low interest rates during the recent years and for the puzzle that super-expansive monetary policies failed to produce high inflation. Approaches that focus on steady states, rational expectations, and individuals planning over infinite horizons, are not suitable for analysing such abnormal situations. A...
