Amazon Fire TV: Use Your Amazon Fire TV to its Full Potential Just bought an Amazon Fire TV Then this book is for you! A lot of things have changed in the last decade, and yes, that does include the way people access entertainment. Devices like the Fire TV have changed and are still changing how we access media and entertain ourselves and others at home. If you have one right now, then you can count yourself among one of the fortunate few who will get to experience a whole new level of home tech. But of course, some of the best features of the Fire TV are not told through the given manuals; they are discovered through interaction with the active user base and some diligent research in your spare time. As with any cutting-edge technology, exploration is key to uncovering great potential. In this Book You Will Learn: How to set up the Fire TV How to use the Fire TV How to install applications to your fire tv What are the absolutely must have applications How to set up FreeTime How to install Kodi How to enhance Kodi with add-ons How to add subtitles to Media in Kodi How to install a security system with IP Webcam and tinyCam How to install RetroArch How to install Firefox with On-Screen mouse cursor and aptoide How to fix common issues that may arise with your Fire TV And much, Much More! If you don't have time to scour the Internet for all that information, or if you're not too keen about tinkering with a device you are barely familiar with, then give this book a quick read! All you need to get started with your Fire TV is in here, along with useful tips and tricks...
