Outskirts Press, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Maggie Stewart didn t get the nickname Mad Dog Stewart without reason. She s determined and tough, meeting the rigorous physical and personal requirements to serve as a Federal Air Marshal-a job that allows her to travel the world, but also demands the very best she has to give, under stressful circumstances. Traveling armed and in teams, Maggie faces danger and tragedy that most people see only in the movies. Maggie s life changes professionally and personally when she leaves the air marshal cadre for a promotion to a Supervisory Special Agent. The stress and politics intensify, but the terrorist plots aren t slowing down. From California to Washington DC, Maggie s field experience and dedication are put to the test every day-and she is faced with personal sacrifices that her calling requires. This exciting real-life story is a compelling portrait of a woman who rose to a position of incredibly demanding accountability, and who faced life and death decisions. Travel along with Maggie and learn the reality of what it means to serve and protect-both in the air and behind the scenes!.
