

Johnny Appleseed, Orchardist (Classic Reprint) (Paperback)

Filesize: 9.51 MB

Reviews

Thorough guide for ebook lovers. I am quite late in start reading this one, but better then never. Its been designed in an remarkably straightforward way which is simply soon after i finished reading this publication in which actually altered me, affect the way i think.
(Gunner Labadie)

JOHNNY APPLESEED, ORCHARDIST (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Johnny Appleseed, Orchardist This little essay is an attempt to isolate from the rather large collection of legends, stories, poems, traditions, and facts of record, a coherent narrative of the known or credible episodes in the career of John Chapman. John Chapman, colloquially known as Johnny Appleseed, was probably born in Springfield, Massachusetts, September 26, 1774. Little is known of his childhood and early life. His half-sister later recalled that as a child he loved nature, observed birds, plants, and flowers and that he also enjoyed natural scenery. Always humane to animals, he early acquired skill in ministering to wounded or distressed beasts; he often bandaged their wounds and injuries. He derived great pleasure in caring for, caressing, and fondling God's creatures. Johnny collected herbs-horehound, catnip, pennyroyal, ginseng, and dog fennel-all were reputed to possess medicinal qualities in that bygone day. In accordance with practices of the times he compounded these into medicines. Whether he carried a skunk around in his arms or doctored a sick dog with evil-tasting herb medicines, he was always the friend of small animals. Nathaniel Chapman, Johnny's father, apprenticed the boy to a Mr. Crawford, an orchardist owning extensive (for that day) apple orchard holdings. Young Chapman learned to prune and to cultivate the apple trees and to harvest the fruit in the fall. The practical training acquired in Crawford's orchards helped determine the pattern of Johnny's conduct in later life as a purveyor of orchard stock to the settlers on the frontier. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a...
