It includes information on many key issues such as alcohol and drug use, immigration, and involvement in youth gangs. | Juvenile Delinquency in Europe and Beyond: Results of the Second International Self-Report Delinquency Study presents the status of juvenile crime and delinquency and its backgrounds in many of the European Union member states as well as in the United States, Canada, Venezuela and Surinam. The book includes information on key issues in juvenile delinquency such as victimization of young people, alcohol and drug use and its relation to juvenile crime, involvement in youth gangs, immigration, family and school and neighborhood situations. It provides insight into different views on what can be considered juvenile crime; what acts are subsumed in its definition and when we can speak about structural delinquent behavior. These insights are based on self-reported information systematically and simultaneously collected from about 70,000 12-15 year old youths in 28 countries. Until recently, the self-report methodology has not been applied on such a large...
