McGraw-Hill Education - Europe, United States, 2014. Paperback. Condition: New. 11th edition. Language: English . Brand New Book. The first integrated program designed specifically for the critical thinking course, Moore Parker's Critical Thinking teaches students the skills they need in order to think for themselves-skills they will call upon in this course, in other college courses, and in the world that awaits. The authors practical and accessible approach illustrates core concepts with concrete real-world examples, extensive practice exercises, and a thoughtful set of pedagogical features. Connect and LearnSmart for Critical Thinking coalesce in a highly adaptive learning environment where each student gets the targeted help he or she needs for more efficient mastery of course concepts. Instructors and students can now access their course content through the Connect digital learning platform by purchasing either standalone Connect access or a bundle of print and Connect access. McGraw-Hill Connect (R) is a subscription-based learning service accessible online through your personal computer or tablet. Choose this option if your instructor will require Connect to be used in the course. Your subscription to Connect includes the following: * SmartBook (R) - an adaptive digital version of the course textbook that personalizes your reading experience based on how well you are learning the content.* Access to your instructor's homework assignments, quizzes, syllabus, notes, reminders, and other important files for the course.* Progress dashboards that quickly show how you are performing on your assignments and tips for improvement.* The option to purchase (for a small fee) a print version of the book. This binder-ready, loose-leaf version includes free shipping. Complete system requirements to use Connect can be found here:
