IGI Global, United States, 2018. Hardback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. The era of globalization allows for more connectivity between nations and cultures. This increase in international association gives citizens the ability to take advantage of opportunities in other nations, such as medical assistance and accompanying services. Medical Tourism: Breakthroughs in Research and Practice is a comprehensive reference source for the latest scholarly material on trends, practices, and emerging phenomena of international travel by patients for medical treatment and examines the benefits and challenges of these services. Highlighting a range of pertinent topics such as hospitality management, reproductive medicine, and ethical considerations, this multi-volume book is ideally designed for the needs of healthcare providers, nonprofit organizations, students, and medical professionals seeking relevant research on the relationship between global travel and access to healthcare.
