By Rebecca Roland

World Weaver Press, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The magic barrier protecting the Taakwa from their enemies, the Maddion, is gone. Malia, who led the Taakwa against the Maddion in the Dragon War, must convince the magical being, the changer, to repair the barrier before the Maddion invade to take revenge on her people and the winged Jeguduns who also call the valley home, even if it means reversing the healing the changer wrought for her. Chanwa, the wife of the Maddion leader, uses the disorder created by the changer to lead a coup against her husband in a desperate attempt to ensure she and the other Maddion women are treated as equals. Her life, and the future of every Maddion woman, depends on her success. Both women know the only way to succeed is to come together in an unlikely alliance. Shattered Fates is the exciting conclusion to Roland s Shards of History trilogy.
