If the ancient kingdom of Sumer was the due of the serpent or bull hero who defeated the old serpent or bull and had access to the Divine Mother we can understand why her love appears to be a dangerous boon in later ages. For year by year the chosen of Ishtar has to encounter a foe of his own blood and one of the two bulls is dispatched to the country without return. -from The Divine King Thoroughly fascinating and totally engrossing, this 1930 work is an exploration of myth and magic in ancient cultures and how they tapped into the most elemental of human experiences-sex, death, tribalism, and war-to lay the foundations of modern religion, contemporary politics, and even the tradition of scientific inquiry. Armchair anthropologists, readers of comparative mythology, and anyone interested in the fundamental basis of the human subconscious will find this book extraordinarily enlightening.
