

Blue Shift: 10 Stories of Speculation and Science Fiction (Paperback)

By Delia Strange

1231 Publishing, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.One novella, seven short stories and a duo of flash fiction. SECOND LIFE is a sci-fi mystery novella set in the Australian outback. Brenda is a woman who lives with an old man that could be her grandfather and a young girl that could be her daughter; except they're not. What happens during a new moon? Why does nobody remember their past? What secrets is Brenda keeping and why is she suspicious of the child in her house? FORTUNE: When an up and coming artist is confronted by a strange man foretelling the future, she laughs off the warning. Years later, after discovering that she should've taken heed, another psychic offers her the chance to decide between two outcomes. DOT MATRIX: When George Griper is taken for a tour around an advanced bio-laboratory, he finds himself confronted by an experiment on lifetime memories. AIR FIRE WATER EARTH are four short stories that tell a single story in reverse. LOVE OF COUNTRY and CREATIONISM: Two flash fiction pieces, both starring Misha Collins, the Queen of England and an elopus. MECCA: For those who...
