DEEP TRUTH (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Kate and Morgan are two young over-achieving journalists who possess combat skills and pack Magnum 44s as part of their routine equipment. Kate is gutsy but watch out for Morgan. She is a shoot first and ask questions later kind of gal. Their interesting personal lives are enhanced by boating and fishing on Florida's Gulf Coast and Uncle Mike's Saloon. In Deep Truth, they are given what they believe will be an opportunity of a lifetime: to document evidence of the beginning of the human race, a discovery that dates back 500,000 years. From the time the girls arrive at the Negev Crater in southern Israel, their lives are in danger-- but from whom? Hezbollah terrorists? Kidnappers? Israeli's Mossad? The Documenters are forced to use their black-ops training to stay alive and protect the ones they've come to love. They feel the enormous weight of a world-changing decision on their shoulders--should they publish the documentary and watch the world's religions crumble into chaos or leave the world in ignorance. Then all hell breaks loose, forcing them to make their decision.
